APPROVAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued to change 100 acre-feet of Permit 21587 which was issued for storage purposes only under the provisions of NRS 533.440 (Secondary Applications are required for the use of the appropriated effluent.) The final water right obtained will be dependent upon the amount of effluent actually placed to beneficial use under the secondary permits. A totalizing meter must be installed at the discharge near the point of diversion and accurate measurements must be kept of effluent discharged. Granting of this permit is not intended in any way to waive or affect authority or requirements of appropriate water quality control agencies or regulations.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed.....~~cubic feet per second~~ 100 acre-feet annually.....

of storage.....

Work must be prosecuted with reasonable diligence and be completed on or before.....September 14, 1989

Proof of completion of work shall be filed before.....October 14, 1989

Application of water to beneficial use shall be made on or before.....N/A

Proof of the application of water to beneficial use shall be filed on or before.....N/A

Map in support of proof of beneficial use shall be filed on or before.....N/A

Completion of work filed.....**OCT 24 1989**.....IN TESTIMONY WHEREOF, I.....PETER G. MORROS.....

State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed.....my office, this 14th day of September.....

Cultural map filed.....

Certificate No.....Issued.....
